

Dear Prospective Missionary Builder,

I am genuinely excited that you are considering partnering with us in ChurchCare Construction. I am certain that you will find it to be one of the most rewarding things you have ever done. Not many have the opportunity to impact thousands like the Missionary Builder! He is directly involved in providing a church family with a quality building, expanding their ministry to their community for many years to come, all to the glory of God! Now that is exciting!

Most Missionary Builders will move frequently, living year round in RV's or staying with host families. These things are not always easy and require some sacrifice. Ultimately, if God is calling you to this type of ministry, it is worth any sacrifice.

Pray earnestly, asking that God would lead and make His desires for you clear. We here at ChurchCare Construction will be praying along with you. Keep me posted as you progress through the application process. Please feel free to contact me at any time if I can be of help to you.

Building till Jesus Comes,

David Whipple
